

Level 2 Award in Preventing Violence in the Workplace

Course Code: 247/HS/2/005

WHO REQUIRES THIS QUALIFICATION?

This qualification is intended for those at work that need to be able to identify triggers for violence and how to reduce the risk. Typical attendees will be working in service industries where dealing with customers is common. This is not intended for those that are at significant risk of having to physically intervene with violent or aggressive individuals. The qualification is also ideal for those with a health and safety responsibility, where the risk of violence is assessed.
